

TESTIMONY MEETING BINGO • MARRIAGE EQUALITY EDITION

<p>Love the sinner, hate the sin.</p>	<p>The most important thing is teaching correct principles to the upcoming generations, so that they aren't swayed by "popular" opinion and rhetoric.</p>	<p>Remember what happened in Sodom and Gomorrah.</p>	<p>They claim love won yet I say Satan won.</p>	<p>Wickedness never was happiness.</p>
<p>I find it interesting that we get called bigots or judgemental.</p>	<p>God created Adam and Eve not Adam and Steve!!</p>	<p>Marriage between a man & a woman has been established by God!</p>	<p>I am saddened because this nation's greatness has been diminished by the eroding of morality.</p>	<p>The outside world is always getting worse.</p>
<p>I listen to a prophet who listens to the Lord. That's how simple it all really is.</p>	<p>I'm so disappointed in the choices that our government is making lately. Our leaders need a lot of prayer.</p>	<p>PROCLAMATION (Free) Space Because the Proclamation is gonna be mentioned for sure</p>	<p>I have seen prophesy fulfilled that "the very elect" will be deceived.</p>	<p>I have felt the hand of evil in my life on so many levels this week.</p>
<p>Thank God for a Prophet and all the faithful saints in the church willing to humbly stand for what is right.</p>	<p>God have mercy on all who have fallen prey to the great deceiver, the father of all lies, Satan.</p>	<p>"Human laws cannot make moral, what God has declared immoral." - Dallin H. Oaks</p>	<p>Loving others does not include making excuses for sin.</p>	<p>If we continue on this path of removing God from everything, God will remove his protective hand from our country.</p>
<p>God told Adam and Eve to multiply and replenish the Earth. Gays cannot comply with God's direction. That says it all.</p>	<p>This is one of the most violent acts of selfishness the world, thus far, has ever witnessed.</p>	<p>The lie of SSM will be devastate children whose inherent right to a mother and a father has been stripped by the US Supreme Court.</p>	<p>I am so thankful for my temple marriage and the understanding I have that it cannot be redefined -- it is eternal.</p>	<p>The lives of countless children will be affected by this lie.</p>
